Name / Address
Summitt Village Condos Diane Gay 201 Esplanade Way Casselberry, Fl 32707

Project
Island replacement

Item	Description	Qty	Total
	Center islands will have trees removed. this is an estimate to replace the broken heads as long as the sleeve and supply pipe is under the road. If we need to install the whole island, they will need to get rid of the roots from the existing oak trees. we cannot dig trenches thru roots and wood.		
Pro-06-NSI	HUNTER SPRAY HEAD 6" POP-UP NO SIDE INLET	80	0.00
